[Don't have an account? Register](#)

- 1) Admin login needs to be available, when any one registers as placement coordinator , FA, Academic advisors , Admin should approve the same . Still admin approves the login they cannot start functioning
- 2) Create Admin login page
- 3) Forgot password option need to be included in the login page
- 4) While creating login it should check for duplicate and inform if the same id already exist and forgot password option can be enabled to activate that login
